

Volunteer Impact

CLAIRE BYRNE – VOLUNTEER IRELAND

CLAIRE@VOLUNTEER.IE

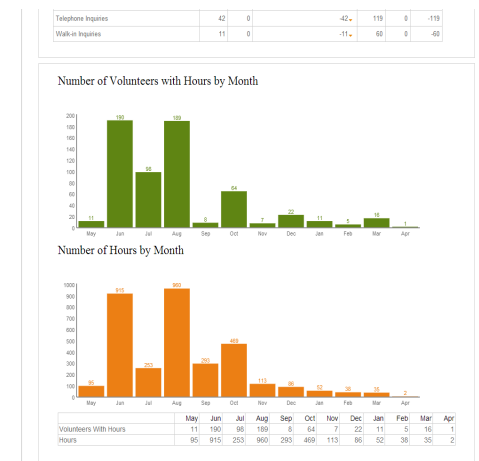

What is Volunteer Impact

- Web (cloud) based software
- Specifically for volunteer management
- Platform friendly
- Makes engaging with, and managing, volunteers easier!

What it does

- ✓ Streamlines the application process
- ✓ Reduces data entry
- ✓ Tracks your volunteers
- ✓ Creates schedules & volunteer opportunities
- ✓ Sends mass & targeted communications
- ✓ Reports on your volunteers/volunteer programme

Benefits

- Cost effective
- Reduces data entry
- Gives ownership to volunteers

Challenges

- Planning stage
- Budgets – getting sign off from decision makers
- Resistance to change

“But we’ve always done it like this!”
